PURPOSE and 5WS

CORE THEMES

FAITH, VALUES & PHYSICAL PRACTICES

Fête du Sport 2026 |
University Antoinine

Three pillars guide every aspect of Fête du Sport 2026:

- Faith — Spirituality as a source of motivation, resilience, and purpose in athletic pursuit.
- Values — Clean sport, ethics, integrity, and mutual respect among all participants.
- Physical Practices — Inclusive and adapted sports activities celebrating every ability.

VALUES FRAMEWORK

Integrity & Fairness

Clean competition, ethical conduct, and equal opportunity for every participant.

Safety & Inclusivity

A secure, welcoming environment accessible to all — able-bodied and adapted athletes alike.

Community Engagement

Fostering social responsibility, collaboration, and lasting impact beyond the event.

GUIDING PRINCIPLES

The AIM Program places the human being at the center of athletic development — integrating able-bodied and adapted sports into a unified, values-driven framework. By combining physical training, ethical coaching, and inclusive competition, AIM redefines what it means to practice sport at the highest level. Athletes of all abilities train, compete, and grow together under one shared vision.

PHYSICAL PRACTICES & AIM PROGRAM

INNOVATION IN INCLUSIVE SPORT

- 01 Promouvoir l'éducation sportive éthique et sensibiliser aux valeurs du sport propre, de l'intégrité et du fair-play.
- 02 Renforcer l'inclusion et l'accessibilité dans le sport pour les athlètes valides et handisports.
- 03 Favoriser la collaboration et les échanges internationaux entre experts, académiciens et athlètes.
- 04 Mettre en valeur l'excellence des sports adaptés et le programme AIM centré sur l'humain.
